COMMISSIONER'S REPORT.

In accordance with the Public Statutes of the State of New Hampshire the Commissioners of Strafford County herewith present the annual report of the County Commissioners, Treasurer, Superintendent of the County Farm and House of Correction, Clerk of the Superior Court, Sheriff, Jailer, Solicitor, County Physicians, Chaplain, and Auditors, for the year ending December 31, 1917.

COUNTY FARM AND HOUSE OF CORRECTION.

The County Farm and House of Correction, under the management of Superintendent and Mrs. W. J. Hartford, has, during the year, been taken care of in a manner that speak' well for their ability in the management of an institution of this sort. The inmates have received the best of care and everything has been done for their comfort and care, and that the interests of the county might be protected. The crops were larger this year than for several years, and were taken care of in a most excellent manner. For a full account of same we would refer you to the report of the Superintendent.

A new sheep barn, sixty by thirty, has been erected this year at a comparative small cost. The basement of this building has been utilized for the storage of wagons and farm tools. The second story is fitted up for the sheep, and there are accommodations for ninety. The top story is used for a hay loft and approximately twenty tons of hay can be stored there. The Delegation of 1917 authorized the Commissioners to build a hospital at the farm to cost \$13,000.00, the money to be obtained from any surplus that they might have in the

treasury. After looking over matters carefully and considering the high cost of labor and materials, a plan was devised whereby this amount of money could be saved and results be obtained that would answer all purposes. The old Snell house, that has been used as a hospital for many years and has been condemned by the board of health several times, was torn down, and the lumber was used in the construction of the sheep barn, thus lessening the cost of that building. In place of the Snell house, one end of the woman's ward was partitioned off so that no communication could be maintained with the other inmates except by those who were in authority. New baths and toilets were installed. The cost of running the old Snell house was practically eliminated, as where it would take from twenty-five to thirty cords of wood to care for the Snell house it takes no more to heat the contagious ward than it did before this change was made. It was necessary to keep a man and woman at the Snell house; now the nurses look after all cases and they receive better care and attention than was the case previously.

We would again call the attention of the people of Strafford County to the fact that this is their property and as such they should be interested enough in it to visit it and see how affairs are being conducted. The visiting day is every Thursday.

The relations existing between the Commissioners and all conducted with the farm have been of a most cordial and friendly nature.

COUNTY JAIL.

During the year many repairs have been made at the County Jail. The interior of the Jail has been painted

and cement floors have been placed in the basement where needed. The roof has been thoroughly gone over and as soon as the weather permits more repairs will be made there. The Jailors house has been painted inside and papèred wherever needed. It is our intention to complete the work commenced so that there will be very few repairs needed for some years to come.

REGISTER OF DEEDS OFFICE.

In the Register of Deeds office there has been spent \$771.00 for the rebinding of record books. These books are very valuable and as nothing has been done to them for many years it was neccessnry that it should be bone in order to preserve them.

OUTSIDE POOR AND CHIDDREN.

The aid given to the poor in the several Cities and Towns in the County has amounted to \$10,988.61. It has been the aim of your Commissioners to give aid to all who applied for the same if it was due them and conditions wanted their receiving it. The support of Children in different homes and in private families throughout the State amounts to \$6,292.62. This department is one in which we have tried to use good judgement so that the Children may be placed in good homes and receive that care and training that they should receive.

Report of Superintendent of Strafford County Farm and House of Correction.

DOVER, N. H., January 1, 1918.

TO THE HONORABLE BOARD OF COMMISSIONERS OF
STRAFFORD COUNTY:

I hereby present to you my annual report as Superintendent of the Strafford County Farm and House of Correction for the year ending December 31, 1917.

Your advice and co-operation, gentlemen, is deeply appreciated, and I am pleased to extend to you my sincere thanks. I wish more of the people of Strafford County would visit here and see how the place is managed. It has been my desire to gradually improve conditions as much as possible for the benefit of the inmates and county.

D. L. Stokes, M. D., of Rochester, continues to serve the institution as physician, contributing his best efforts to all needing treatment, either medical or surgical.

The Dover City Mission, together with the Catholic priests, have attended to the spiritual needs of those under our care. As in former years the W. C. T. U. of Rochester contributed much to the enjoyment of the inmates on their visit. We extend our thanks to all who have contributed reading matter, delicacies, etc., to the inmates.

To all employees who have labored in the various work at the farm I extend my personal thanks.

Respectfully submitted,

WILLIAM J. HARTFORD, Supt.

REPORT OF THE DOVER CITY MISSION

In charge of Religious Services at the Strafford
County Farm.

In the past year have found everything in satisfactory condition. The house, in every room and hallway, is kept in excellent clean condition, and properly heated all over. A spirit of satisfaction, in general, has been expressed by the inmates. No effort by the management has been spared to bring comfort to the inmates. Spiritual interest has been greatly increased in the last year and an average of about thirty have been attending the Sunday services. Services have been held every Sunday during the year and two special entertainments have been given Christmas and Easter. Good literature has been distributed amongst the inmates, and is well appreciated.

Respectfully submitted,

DOVER CITY MISSION.

President, T. F. Slater.

Recording Secretary, John H. Nutson.

FEBRUARY, 20, 1917.

Meeting called by the Chairman in the General Committee Room.

House Bill No. 506 was taken up and amended so that it would take effect April 1, 1919.

The Committee on the Jail made the following report:

To the members of the Strafford County Delegation:

Your committee appointed to take into consideration the matter of the removal of the County Jail to the County Farm, also the advisability of modernizing the present structure, would report that they have attended to their duties and would report that it would be inexpedient to legislate for the following reasons:

First.—The present Jail is sound and as safe or safer than the one at the County Farm.

Second.—The present jail is by no means a fire trap as was given out at our meeting at the County Farm.

Third.—The plant is in good condition and it would be a foolish expenditure of money to discard it.

We would recommend that certain repairs be made to the jailors house, the jail proper and to the barn. In all not over \$850.00, and that this delegation take such

action as will insure the carrying out of this recommendation. It is the opinion of your committee that with a small sum say about \$150.00 to \$200.00 expended every two years on this property it would be kept in first-class condition.

JAMER MARSHALL
MOSES G. CHAMBERLAIN
JAMES F. PHILPOT
L. J. GOUDREAU
W. F. COLE

Committee.

The committee on Hospital made the following report:

We, the undersigned committee, appointed to take under consideration the matter of a hospital at the Strafford County Farm, would report as follows:

That the County Commissioners be hereby instructed to build a hospital at the County Farm according to plan No. 2 as far as practicable, and not to exceed \$13,000.00 as submitted by the delegation of 1915.

JOHN M. HUBBARD,
ALBERT D. EMERSON,
CHARLES E. WENDALL,
HARRY L. MEADER,

Committee.

MARCH 1, 1917.

Meeting called to order by the Chairman.

Moved that we adopt the report of the committee on the Hospital and instruct the County Commissioners to build a Hospital according to plan No. 2, as far as

practicable, said building to be built out of the surplus and not to cost over \$13,000.00.

Moved that the Clerk see the Commissioners in reference to the Budget bill and in regard to the proposed Hospital.

Voted, that the Delegation favor the paying of one dollar for fishermen's licenses.

Voted, that the Commissioners be instructed to make the necessary repairs on the County Jail as per report of the committee.

REPORT OF PHYSICIAN.

TO THE COMMISSIONERS OF STRAFFORD COUNTY:

Gentlemen—The following report is respectfully submitted.

Among the inmates of the county jail there has been the usual amount of acute and chronic diseases, but none of a contagious nature. The infectious diseases have been limited to the ones infected on entrance with no spread to the other inmates.

Sheriff Edward S. Young has maintained the highest degree of sanitation, and the condition of the prisoners show the results of proper food and exercise.
